

Sapientia Aviation Theory Tutoring Center (SATT) is the Sapientia's specialized branch aiming to provide

### **high-quality preparation for Aviation Pilot licensing theoretical exams.**

We're the team professionals who understand what student pilot needs are and fulfill those requirements in appropriate span of time with high performance results.

**Over 20 years' experience, more than 6000 students, with a success rate of 99% make Sapientia your partner for success in training.**

### **YOUR Advantages**

- Experienced and qualified teachers.
- Certified training provider (DGERT, IEFP, Cambridge Int).
- Students grouped according to their abilities.
- Review of all major parts of the syllabus.
- Practice and advice on exam questions and revision techniques.
- Intensive, focused, uninterrupted time on each topic.
- Increased confidence.

We Deal in **ATPL Theoretical preparation** for Instrumentation, General Navigation, Meteorology, Human Performance and Limitations, Radio Navigation, Airframe and Systems, Electrics, Power Plant and Emergency Equipment, Air Law, Flight Planning and Flight Monitoring, Communications, Operational Procedures, Principles of Flight, Performance, Mass and Balance.

Mathematics, Physics, English basis are also tutorial units available. A "Commercial Pilot's inside view" session (lectured by a Professional Airline Commander), a Cessna 152 general briefing and a Preparation for Airline Company's selection processes group of sessions (interview, psychotechnics, selection panel, group dynamics) are also available per student's requirement.

SATT's Students are mainly student pilots preparing for their theoretical exams. SATT recommends timely study and preparation of the courses, with study sessions organized and planned in advance, to achieve the intended results.

**SATT at a glance:** In addition to one-on-one tutoring, SATT provides the opportunity for students to become involved in collaborative learning groups.

Groups are formed in any subject area as needed and are comprised of 2-5 students. SAT training packages include 8 (minimum), 40 (5% discount) or 80 (10% discount) session unit cards. Normally, the first session consists on the evaluation and definition of the study plan.

**"More than 6000 students.  
99% success Rate".**

**We believe in  
"Achieving Results."**
